

BEN-08 Benefit Termination Letter

Purpose

The purpose of this Business Process Procedure is to explain how to generate a benefits termination letter in the Integrated HR-Payroll System.

Trigger

Agency Benefits Specialist needs to generate Benefit Termination Letters for employees who have separated employment or who have lost benefit eligibility.

Business Process Procedure Overview

Transaction code ZBNS013 - Benefit Termination Letter allows Agency Benefit Specialists to create a system generated letter to send to employees who have lost benefit eligibility or who have separated from employment. The Benefit Termination Letter outlines the benefit plans in which the employee was enrolled, notes the coverage end date and (if allowed) information on how to continue the plan after leaving employment or losing eligibility.

The Benefit Termination Letter can be run daily, weekly, or monthly, depending on the agency's needs. It is recommended to run the letters on a weekly basis with the prior week's dates.
