NCFS Report - RPT-FA-015

Report Name: RPT-FA-015 NC Asset Transfers by Agency

Report Description: NC Asset Transfer by Agencies Report generates the list of assets by Asset book that were transferred (assigned/reassigned to employee, transferred to different location, change in depreciation expense account) within the asset book. The report can be scheduled daily or for specific date range.

Report Data Flow: Assets are transferred within the same asset book in Oracle Cloud Fixed Assets. State/Agency Asset Accountant team will generate this report – 'NC Asset Transfer by Agencies Report'. State/Agency will review the report output.
