

OM-42 Change Weekend Shift Premium (IT9009)

Purpose

The purpose of this Business Process Procedure is to explain how to change the weekend shift premium for a position in the Integrated HR-Payroll System.

Trigger

There is a need to change the weekend shift premium on a position.

Business Process Procedure Overview

Weekend Shift Premium (IT 9009) - Stores settings related to Weekend Shift Premium eligibility and Payouts. If OSHR has approved a rate other than the default of 10%, the rate must be entered as a percentage in the “Rate” field.

Tips and Tricks

See the OM Tips and Tricks Job Aid for a full listing of Best Practices and Tips & Tricks. The job aid is located on the [Training HELP](#) website.

- **Copy** is to be used most of the time. This will delimit the existing record and create a new record with the start date given. Copying keeps a history of the old record.

- **Change** is to be used only if you make a spelling or other simple error and want to change the record. There is no history tracked on what the record used to be if you use the change functionality.

[OSHR Policy](#)

Procedure

There are 13 steps to complete this process.

Step 1. Type **PO13** in the command field (1). Hit enter on your keyboard (2). Also, you can double click it from your favorites folder if you've previously saved it there (3).

Image

Step 2. Input the position number that needs updating. This document will use 60087078 from the OSC training environment.

Select.

Step 3. Click the **Enter** button and verify the position displayed is the one you need to change.

Alert! Be vigilant on this step. A position number may be present already when you access the transaction, so be sure to review the position number and name to ensure they are correct.

Step 4. Within the Active tab:

- Scroll down the list of position infotypes and click the square in front of the **Weekend Shift Premium** row. There may or may not be a green check already present.
- In the Time Period area click into the **All** radio button and then click **Select**.

ATTENTION! If a new eligibility needs to be created or a rate adjusted, continue to step 5. If a current eligibility needs to be ended, skip to step 8.

Step 5. Click the **Create** button.

Image

The screenshot shows a web application interface titled "Maintain Position". At the top, there is a toolbar with various icons. The icon representing a document with a plus sign (the "Create" button) is highlighted with a red rectangular box. Below the toolbar, the form contains three input fields: "Plan version" with a dropdown menu showing "01 Current plan", "Position" with a text input containing "60087078" and a label "Executive Assistant I", and "Abbr." with a text input containing "Exec Asst I".

Note: Using the create button will work even if a record already exists.

Step 6. Enter the start date of the new record and update the **Weekend Shift Prem Rate** field as applicable.

Note: OSHR must approve any rates other than the default of 10%.

Step 7. Click the **Save** button. If updating a record, click **Yes** to delimit the previous record. No pop-up will appear if there was no previous record.

Proceed to step 11.

Step 8. (Begin at this step to end the premium pay eligibility for a position.)

Click the **Delimit** button.

Select.

A list of all **Weekend Shift Premium** Infotypes for the Position will be displayed, including the Validity Dates, eligibility for the premium, and the premium rate.

Step 12. **Optional step:** Include a note. Click on the right side of the **Services for Object** button. In the resulting drop-down menu, hover over the **Create** option and then choose **Create Note**.

Image

Note: Although a note is not required when updating a position's Premium Pay eligibility, OSC staff recommends that one be created, nonetheless.

Enter in today's date and your name (or initials) and a brief note with information used to justify the change.

Click the **Green check** to save your note.

Step 13. Click the **Back** button.

The system task is complete.
