

PY-16 Wage Types Reported to ORBIT

Purpose

The purpose of this job aid is to provide a list of Wage Types reported to ORBIT. The Integrated HR-Payroll System to ORBIT interface is run monthly after the end of each month. Wages are reported under categories as defined by ORBIT. Only wages earned under certain wage types are retirement eligible.

Please refer to Payroll Reporting through ORBIT for more details, including salary adjustments that may require manual submission of specified forms by the agency.
