Frequently Asked Questions

My W-2 has been misplaced or damaged. How do I get a copy?

You can print your W-2 in Fiori. Use the following link for instructions: [Reprint a W-2/W-2C](#)

If you do not have access to Fiori, contact BEST Shared Services at 919-707-0707 to request a reprint. BEST will submit reprint requests only for employees who do not have access to Fiori.

When will I be able to print my own W-2 from ESS?

Copies of your W-2 will be available for you to reprint on Fiori no later than mid-February. Check the Integrated HR-Payroll System status page for notification.

My address has changed; how do I receive a W-2 reprint?

See above information. Be sure that you correct your address (permanent and/or mailing) in Fiori, with your agency HR office or by submitting a form to BEST for processing.

Why is TSERS not reported on my W-2?

Per IRS regulations TSERS is not reported on W-2.

My social security number or name is incorrect on my W-2. How do I correct this?

You must take a copy of your original social security card to your agency HR office for assistance in correcting the number or name. Once the correction has been made by your agency, you will be issued a W-2C shortly thereafter.

I did not earn this much money. I need my W-2 corrected.

Please review your last pay statement for the calendar year and compare the taxable wages in the lower right portion of your pay stub with your W2. If you still have questions, please contact BEST Shared Services, and open a ticket for assistance.

I need a W-2C reprint. When will I be able to get one?

W-2C reprints can also be reprinted using Fiori. See the link on the first question above.

If you do not see the W-2C you are trying to reprint or have access to Fiori, contact BEST Shared Services.
