Special Report Considerations/Features

- This report excludes records where the 'Grievance Filed Timely?' field is blank.
- As a greater number of discrimination basis criteria are added to the report as per Executive Order 24, the report becomes wider now. Scroll to the right to see the Agency Total columns in Discrimination and Harassment screens.

- Report lists the grievances that are valid as of (report run date) for the date ranges entered in 'From Day - To Day' prompts. This report brings in all the grievances that are within the 'From Day' 'To Day' date range given in the prompt screen. These records may have begun before the 'From Day' or beyond the "To Day" however, if they are valid at any point between the ranges given, they will be selected.
 - For example, with a date range of 'From Day' 6/11/2019 and 'To Day' 12/14/2019 the following records would be selected with the following date ranges:

Valid From	Valid To	Example Type
6/11/2019	12/14/2019	Validity dates match record
5/1/2019	12/31/9999	Validity dates starts before and ends after selected range
6/13/2019	8/20/2019	Validity dates start before and ends before selected range
5/18/2019	5/18/2020	Validity dates start before and ends after selected range

- When multiple discrimination factors are filed under one grievance for EEs in Integrated HR-Payroll System, this report shows them in individual columns on a separate count under a policy violation or discrimination or retaliation category. Agency Total column displayed at the end of each row reflects the number of policy violations or discrimination factors based on Personal Area, Gender and Ethnicity, not the total agency grievances.
 - For example, here an employee filed a grievance on multiple factors Race, Age and National Origin.

- This report will reflect them under different discrimination factors. Here the Agency Total columns shows the number of such factors for each row. Agency Total does not reflect the total Agency grievances.
