

B0145 Positions by Statutory Exemption Type

Purpose

The purpose of this report description is to explain how to generate the Positions by Statutory Exemption Type.

Report Description

The B0145 Positions by Statutory Exemption Type report displays Statutory Exempt Type positions with Employee details and Employee salary amount.

Report Location

OM: Position Data

Report Uses

- This report can be used to view a list of positions with statutory exemptions by type along with employee details for specified organizational unit(s).
- It can be used for organizational management, budget and funding planning for statutory exempt positions within organizational units.

How to Generate This Report

This report is generated after selecting values for the mandatory prompts. All mandatory prompts must have values selected before the Run Icon can be used to generate the report. Mandatory prompts can be identified as mandatory by the exclamation mark inside of the yellow-orange triangle, the square with the checkmark, or the display of (Mandatory). Detailed instructions for interaction with each prompt can be found on the [Web Intelligence Prompt List](#) on the [OSC website](#).

The Mandatory prompts for this report are:

- Organizational Unit
- Calendar Month/Year (Single Value, Mandatory)

This report can also be further limited by utilizing the Optional prompts to further limiting the amount of data that retrieved into the body of the report. Optional prompts are indicated as optional in parentheses beside the prompt.

The Optional prompts are:

- Position(s) – (Optional)

Exclusion prompts exclude specified data by default while allowing customers the flexibility of changing them when necessary. Exclusion prompts are identified by the term Exclude followed by the prompt.

The Exclusion prompts are:

- Exclude Employee Group(s) – (Optional)
- Exclude Employee Subgroup(s) – (Optional)

Special Report Considerations/Features

- Position Personnel area was added to this report on August 17, 2017, and began being populated at that time. If the report is run for a date prior to August 2017, then the position personnel area will not be populated, and will display as “#” or as “not assigned”.
- Temporary employees or Supplemental Staff (O, X) are included in this report by default.
 - The Exclude Employee Group and Exclude Employee Subgroup exclusion prompts can be used to exclude the Supplemental Staffs.
 - The ‘Supplemental Position’ variable in the Available Objects can be used to filter out the Supplemental Staff after dragging this variable into the report and refresh.
- Contractors (G1) are included in this report by default as they are a subgroup of Supplemental Staff (O, X).
 - The Exclude Employee Group and Exclude Employee Subgroup exclusion prompts can be used to exclude the Contractors (G1).

How to Exclude Supplemental Staff Positions?

• Using Exclusion Prompt

As described earlier in the Exclusion prompt section of this document, enter the Exclude Employee Groups prompt and Exclude Employee Subgroup prompt by selecting appropriate Supplemental Staff position Employee Groups and Employee Subgroups, and run the report.

• Employee Group - Supplemental Staff

- Supplemental Staff
- X Supplemental Staff Grant

Note: (You can also cut and paste this list in the prompt where it says, 'Type values here' and press '>' right arrow).

Using 'Supplemental Position' Variable

- When you run the report without entering the Exclusion prompt values, the report will show the Supplemental Staff positions (if any) in the report for the given Organizational Unit and Calendar Month prompts.
