1. Launch SAP GUI from your desktop.

2. Click on the top left corner icon of the SAP Logon 770 screen.
3. Select *"Options . . ."*

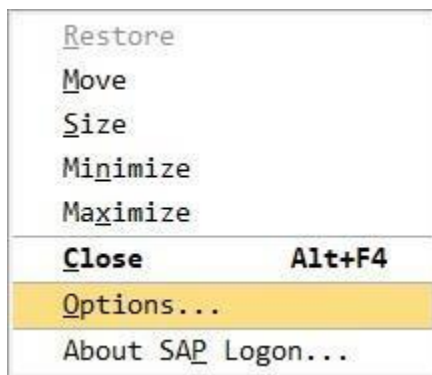

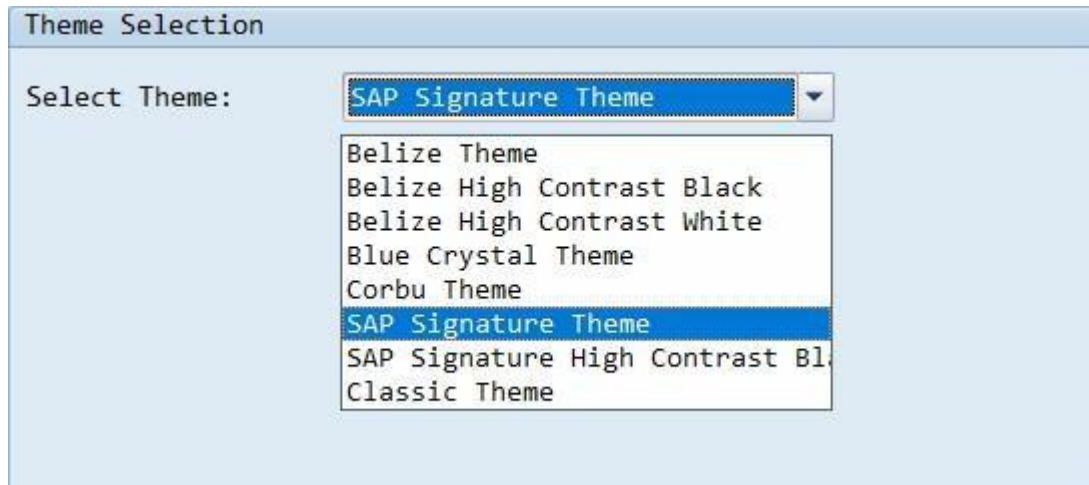

4. Go to *"Visual Design"* and select *"Theme Settings."*

5. Select the SAP Signature Theme if not already selected. This is the theme used in all training classes at OSC.

6. Click *"Apply"* and *"OK"*

7. *CLOSE ALL SAP GUI WINDOWS* and start again.

8. For questions or assistance with the SAP GUI installation, contact BEST Shared Services to put ina ticket to the SAP Portal team.
